Pamela -

I see no reason why this information matters, but, in any event, we received in early June the hit reports that we sent you for Sonus' and Lead Plaintiff's proposed search terms.

Dear Sherry and Melissa,

I would appreciate a response to my email below. If the delay in responding is caused by trying to find the exact date you received the report, an approximate date will suffice.

Thank you.

Best regards,

Dear Sherry,

Lead Plaintiff is continuing to work through the information contained in your June 15 letter, 48 page attachment, and the Zantaz hit report. It would be helpful to Lead Plaintiff as we evaluate Sonus's proposals contained in the attachment if you would please provide a copy of the Zantaz report that was run against Sonus's original 52 proposed search queries. Thank you.
